In the last few years The Jud Hurley Foundation has been able to touch many lives affected by spinal cord injuries as well as Neurodegenerative diseases such as Alzheimer's, Parkinson's, Lou Gehrig's and Krabbe's. We try to bring a little happiness to a family dealing with an obviously difficult situation. Sometimes this means helping with their most important needs such as medical bills, supplies and equipment, while other times it's a simple family dinner out or a baseball game. We also keep up with and pass on the latest research information and try to help get families going in the right direction after such a catastrophic injury.
